

loop-de-loo's sellers agreement

Ready to sell your items with loop-de-loo's? Great! Please carefully read & sign the form below. Bring your signed form along with your 25 items or less to the shop for processing.

- We are looking for your highest quality, tip-top condition, recently laundered & folded clothing items. That means no tears/rips, stains, fading, pilling or odors. We carry size newborn through 14.
- Shoes should be wiped down & clean.
- Toys & books should be clean and ready to play with (if your item requires batteries for use, please provide them or we will deduct the price from your earnings total). Please, no missing pieces, torn pages, chipped paint or broken items. If your toy or game has lots of pieces, please bring bagged and labeled!
- Larger items, like strollers, bikes, bouncy seats, etc. are subject to available space in the store. Please inquire PRIOR to your drop off if your larger item will be accepted.

While we don't exclude any one particular brand, we prefer to buy your highest quality items for their higher resale potential, as well as durability, sustainability, and reusability. We want you to find high quality, unique & exciting pieces when you shop at loop-de-loo's! We love to buy brands like Mini Boden, Hanna Andersson, Tea, Peek, Crewcuts, Patagonia, Primary, Tucker + Tate, Quincy Mae, etc. We have limited space in the shop and will fill in the gaps with the best quality items first and foremost. Mainstream discount store brands (Carters, Jumping Beans, Old Navy, etc.) will only be purchased on a limited basis if new with tags, or minimally worn AND as space allows for.

- We price our items individually at approximately 30-40% of original retail value, factoring in the condition of each item (i.e. New With Tags, minimally worn, more worn, etc.) We DO NOT provide an itemized list for you. If you have a special item you would like itemized, please request at time of drop off.
- How do you get paid? We pay outright, two ways. You choose!
 - SELL: 25% of resale price paid to you directly via check/Venmo/Zelle
 - TRADE: 40% of resale price paid to you in store credit to be used within 1 year
 - DONATE: loop-de-loo's will make a monetary donation *equal to the value of your items* to your choice of local non-profit organizations

(Example of payout: for a sweater priced for resale at \$10- if you choose SELL, you will receive \$2.50 in cash; if you choose TRADE, you will receive \$4 in store credit; if you choose DONATE, we will donate \$2.50 to your designated organization).

- Any items from your bundle that we are unable to purchase will be returned to you directly or donated locally by us. We ask that you pick up your items within 72 hours of notification.

Our goal is to process your items and send your payout to you as quickly as possible. Please allow 24-48 hours from time of drop off for us to carefully inspect and inventory each of your items. If you have any questions or suggestions, please let us know!
