

Accessibility Statement

We want everyone to feel welcome when visiting our website.

Our goal is to make our site as accessible and easy to use as possible for all visitors, including people with disabilities. We aim to follow generally recognized accessibility standards, such as the Web Content Accessibility Guideline (WCAG) 2.1 Level AA, where reasonably possible for a small business.

At this time, our website is primarily informational. We do not currently sell products online, though we may offer giftcards online in the future.

Ongoing Efforts

We are continually working to improve the accessibility of our website. Because accessibility is an ongoing process, some content or features may not yet fully meet every accessibility standard.
